NNIC's success is dependent on involvement from its members. Workgroups meet in person and also have a conference call-in option. Please mark the workgroups you are interested in participating in:

Adolescent Workgroup - *Work with partners to support the establishment of the adolescent platform for adolescent immunizations.*

1. Provide education to parents of adolescents to increase immunization rates.
 - a. Vaccinate Before You Graduate
 - b. Recommended vaccines reminder program
2. Provide educational packets to public schools, private schools, and health care providers in Northern Nevada.
3. Provide education to juvenile facilities in Northern Nevada.
 - a. HPV and other catch-up immunization awareness
4. Other projects/activities as needed.

Adult Workgroup - *Increase access to vaccines for high risk adults.*

1. Provide vaccine access at Mobile Food Pantry locations.
2. Provide education on staying up-to-date on recommended immunizations as part of adult health and wellness.
3. Provide educational packets to colleges, healthcare providers, and licensed care facilities, such as assisted living, adult day care, and others.
4. Other projects/activities as needed.

Education and Training Workgroup - *Provide immunization stakeholders (including health care providers, immunization program staff, and consumers) appropriate and timely evidence-based education, training and communication on immunization-related issues.*

- a) Develop a referral system for under-immunized school or child care center attendees to vaccination providers.
 - b) Create a client or family incentive reward program to increase vaccination rates.
 - c) Implement client reminder/recalls, mass and small media, educational activities.
 - d) Promote National Infant Immunization Week (NIIW) immunization events and clinics.
 - e) Research and write a northern Nevada based immunization white paper.
 - f) Provide educational packets to schools, health care providers, licensed child care providers and other key stakeholders working with consumers.
 - g) Other projects/activities as needed.
-

Yes, I'd like to receive weekly updates. Please add me to the general NNIC email list.
