

VACCINES FOR THOSE ENTERING NEVADA UNIVERSITIES

IF YOU'RE HEADING TO COLLEGE, it's time to think about your school vaccines. Now is the time to establish a primary care provider and schedule an appointment to get up to date on school vaccinations.

Required & Recommended Vaccines:			
Tetanus & Diphtheria (TD or Tdap)*	Measles, Mumps, & Rubella (MMR)*	MenACWY (Menactra, Menveo or MCV4)* for those enrolling before age 23 (must have been given at age 16+)	Flu (Annually)
Human papillomavirus (HPV)	Meningitis B (MenB)	COVID-19 (Pfizer for those under 18, Moderna or Janssen for 18+)	

NEVADA LAW REQUIRES CERTAIN IMMUNIZATIONS (those marked *) for university entry – unless exempt due to a medical condition or religious belief. Other listed vaccines are recommended for college-aged students to help ensure good health.

WORRIED ABOUT PAYING FOR VACCINES? Many Nevada healthcare providers offer vaccines at low or no cost to parents as part of the Vaccines for Children (VFC) program (Younger than 19 years of age). To find a provider near you, visit immunizenevada.org/paying-vaccines.

Where should I go to establish a primary care provider?		
Renown Health	Northern Nevada HOPES	Community Health Alliance
(775) 982-5437	(775) 786-4673	(775) 329-6300

For additional locations, contact:

Washoe County Health District
(775) 328-2402

UNR Student Outreach Clinic
(775) 682-8646
